ADDITIONAL INFORMATION

Please let us have any further comments on the relationship between ICOM and your committee that have not already been captured in this survey.

Within the Special Projects Program of ICOM a request for a grant was submitted for € 7.500 to add to the creating of an International Website on Exhibition Making. It is planned to bind the site of ICAMT to this international site. ICTOP, ICOM-Europe and ICOM-The Netherlands supported the request. In 2007 a grant of € 7.000 was given to ICAMT for this purpose. Since the grant can only be spent after the total of the needed budget has been raised, the € 7.000 still are on the account of ICAMT. Due to the present financial crisis the fundraising has a slower pace as expected. At the moment we are talking to private investors and other sources to raise the necessary funds. Also there is an option to bind the website to a publication on exhibition making.
